Adult.Education@edinburgh.gov.uk

We will add you to an email list.

The new brochure with details of classes and how to enrol will be available about 11th August from Community Centres, Council offices, GP Surgeries, bookshops and libraries. Students in classes this year will be sent a copy automatically.

YOUR STORIES

Do you have a story about your experience of learning that you would like to share? What have you learned, how has it made a difference to you, your family or your community and why others should take up learning.

This information is useful to us as it helps us to evidence the value that our students place on their learning

New Classes

Each term we try to add one or two new subjects to the programme. While we can't promise to include them, please tell us if there are subjects you would like to see in the programme.

Contact the Adult Education Team by letter, phone or e-mail with your suggestions.
